Thanks for downloading our top ten lists! We hope that they help get your thought processes going and juices flowing when it comes to planning your reception.

There's a lot more to planning your reception than just picking out these songs, though. We work with dozens and dozens of couples each year, and some need more help than others. When you hire a professional DJ, they're usually there to help you through these things, but if you can't afford a pro-DJ, there's always DIYReception.com to help you plan your reception, step-by-step.

Our useful, proven, and easy-to-follow resource walks you through the whole thing, from the agenda all the way through playlists. We're also here to answer questions that you might have, too! These lists are just top-ten lists, but our full on planning resource (on sale for \$49.99) has MUCH more to it – a dozens of playlists, more than just ten songs per event, as well as more coverage for genres like country, Motown, etc.

If you're interested in learning more about our many resources (all affordable) to help out couples on a budget, head on over to DIYReception.com and poke around. But on to the lists!

Each one of these lists represent our personal favorite songs for each of the events. There are cheesier options available, but we ALWAYS hear 'awwws' from the crowd when these songs are played for their respective times. These are battle-tested, bride approved!
